Summary

Hello there, my name is Shrouq Ramadan, I'm a React.js Frontend Web Developer who

has 2+ Years of work experience in industry of frontend web development, I

enjoy building everything with JavaScript.

In this duration, I have learned a lot of technologies, created many cool websites,

Collaborated with great developers and contributed to open-source projects.

So, I'm always seeking to have an opportunity that matches my skills, to make the

Best use of all what I have learned
